

INDEED

NEWSLETTER#05

IN THIS ISSUE

Dear Readers,

In the latest issue of our Newsletter you will find information about what is happening in our project.

You will get acquainted with, among others, the **INDEED Toolkit**, which will gather the most important **deliverables** prepared based on our activities. Importantly, its first elements, such as the **Evidence-based Evaluation Model**, are ready and available online for use. In addition, you will also find an article on '**Furthering critical awareness in deradicalisation initiatives**', as well as information about a **social campaign** presenting key findings from our selected Work Packages.

Finally, thanks to the Newsletter you will learn about **upcoming events** that are worth paying attention to, as well as **initiatives** that we have implemented and which you can still reach for.

I cordially invite you to read.

THE TOOLKIT IS ONLINE!

EVIDENCE-BASED
EVALUATION MODEL

EVIDENCE-BASED
EVALUATION TOOL

E-GUIDES

INDEED has published an **innovative toolkit** combined with e-learning suite that integrates the evaluation framework, all INDEED public deliverables and learning tools to maximise uptake and accessibility to the field. The **Evidence-Based Evaluation Model** and the **Digital Repository of Studies on Risk and Protective Factors** are already available! The toolkit is under development and more tools, including **e-guides, trainings, repositories, learning resources, and policy recommendations** will come soon. Stay tuned!

The Social media cards campaigns

How has the AVAILABILITY OF SYSTEMATIC REVIEWS EVOLVED in the field of PVE/CVE/DE-RADICALISATION?

The number of available systematic reviews published by the Campbell Collaboration in the field of PVE/CVE and De-radicalisation has increased significantly from just one in 2019 to nine in 2022.

Number of annually published Campbell reviews in PVE/CVE and De-radicalisation

INDEED

This project has received funding by the European Union's Horizon 2020 research and innovation programme H2020-SU-SEC-2020 under grant agreement no 101021701

The campaigns stem out from the findings of WP1, WP2, and WP5. They navigate various issues and concepts that are key to the INDEED project, such as the information on the **current state of training programmes and tools** and the **identification of practitioners' and policy makers gaps and requirements**.

UPCOMING EVENTS

6 July 2023, online

RAN Practitioners Training Webinar: Basics in P/CVE

On 6th July, the **Radicalisation Awareness Network (RAN)** organises the **RAN Practitioners training Webinar** on **'Basics in Prevention/Countering Violent**

Extremism(P/CVE)'. If you are a newcomer to the field of preventing and countering violent extremism (P/CVE) and are interested understanding radicalisation processes into violent extremism and how to address them from a practitioner's perspective, then this training webinar is for you!

20-21 July 2023, Lisbon

15th Annual International Conference of Society for Terrorism Research

On 20-21 July, **Arif Sahar** – member of the INDEED Consortium from CENTRIC – will participate in the **15th Annual International Conference of Society for Terrorism Research** in Lisbon, Portugal. The **Society for Terrorism**

Research (STR) is an international, multi-disciplinary organization of theoretical and empirical researchers whose mission is to enhance knowledge and understanding of terrorism and political violence through annual conferences, events and articles in their peer-reviewed journal. **Arif Sahar** will participate with a **paper** focusing on the **complexities of policy response to radicalisation in the EU from a practitioners' perspective**.

18-20 September 2023, Prague

Annual EENeT Conference 2023

On 18-20 September INDEED is invited to the **Annual EENeT Conference 2023** in Prague, Czech Republic. The

European Expert Network on Terrorism Issues (EENeT) is dedicated to **multidisciplinary** and **multi-agency analysis and research**, which are considered prerequisites for providing comprehensive insights into the complexity of the phenomenon "**terrorism**". The event will have a large variety of presentations and discussions regarding **Radicalisation, Terrorism** and **Extremism**, and INDEED is going to have its dedicated panel.

24-25 October 2023, Brussels

Security Research Event (SRE) 2023

On 24-25 October 2023, INDEED is invited to the **Security Research Event (SRE) 2023** in Brussels. The event, organised by the European Commission, is the annual meeting where policy-makers, first-responders, researchers and industry come together to discuss the state of play and current **challenges for civil security**, and ways in which **research** and **innovation** can contribute towards the **policy goals**.
